## Why you need to complete this form

The Foreign Account Tax Compliance Act (**FATCA**) and Common Reporting Standard (**CRS**) are regulatory requirements that aim to deter tax evasion by US and other foreign taxpayers. The Australian and a number of other foreign Governments have an agreement which requires us to obtain certain information from investors, including taxation information. You may be liable to a penalty if you provide information that is false or misleading in a material particular. We may decide not to open an account without first receiving the required information. For more information, visit [ato.gov.au](http://ato.gov.au).

If you are unsure of any of the answers, please contact a legal or accounting professional.

### DEFINITION

#### Tell me about tax residence

You can be a resident of more than one country for tax purposes. Whether you are tax resident of a particular country for tax purposes is often based on the amount of time you spend in a country and the location of your residence and/or place of work. If you pay tax or have a tax liability somewhere, you are probably a tax resident there. Dual citizenship often brings dual tax residency. It depends on the country. For the US, tax residency can be as a result of citizenship or residency for tax purposes.

8. Are you 'active' or 'passive'?

DEFINITION

What is a GIIN?

This stands for Global Intermediary Identification Number. GIINs are 19 digits long, issued by US tax authorities (the IRS) to non US financial institutions and sponsoring entities for purposes of identifying their registration with the IRS under US tax laws (called FATCA).

DEFINITION

What is a financial institution?

This includes:

1. **an investment entity** - any entity that conducts certain activities or operations for or on behalf of a customer, including:
  - 'trading in money market instruments' and other relevant instruments
  - 'individual and collective portfolio management'
  - 'investing, administering, or managing funds or money on behalf of other persons'.

However, any trading, investing, administering or managing of financial assets on behalf of other persons must be done as a business. Note that financial assets does not include direct interests in real property.

An entity is also an investment entity if it is managed by another investment entity, depository institution, custodial institution or other prescribed entity and its gross income is primarily attributable to investing reinvesting or trading in financial assets.

So, as general rules:

- managed investment schemes are investment entities
- trusts with professional corporate trustees (and often professional corporate investment managers) often are investment entities, such as unregistered (wholesale) managed investment schemes
- discretionary family trusts are not usually investment entities, even if they have someone managing the trust's assets for them.

The ATO gives some help in this, and it's worth seeking advice if you are unsure: [ato.gov.au/General/International-tax-agreements/In-detail/International-arrangements/FATCA-detailed-guidance](http://ato.gov.au/General/International-tax-agreements/In-detail/International-arrangements/FATCA-detailed-guidance)

2. **a depository institution**

you accept deposits in the ordinary course of a banking or similar business e.g. a bank

3. **a custodial institution**

a substantial portion of your business (20% or more of gross income) has been held in financial assets for the account of others for the previous three years or since the establishment of the entity e.g. a custodian

4. **certain prescribed entities**

e.g. types of insurance companies that have cash value products or annuities.

DEFINITION

What is 'active' and 'passive'?

A non-financial entity (NFE) is any entity that is not a financial institution as defined above.

You will be a passive NFE if you are not an active NFE.

Generally, you will be an active NFE if:

- your stock (or a related entity's stock) is regularly traded on established securities market
- less than 50% of your gross income for the previous reporting period was passive income and less than 50% of your assets during that period produce or were held to produce passive income
- you are a Governmental entity, an international organisation, a central bank or an entity wholly owned by one of the above
- you are exempt from income tax in your residential jurisdiction and were established and operated exclusively for religious, charitable, scientific, artistic, athletic or educational purposes and meet certain other specific criteria, or
- you have not been a financial institution in the past five years and are in the process of liquidating your assets or reorganising with the intent to recommence operations other than as a financial institution.

If you are unsure whether you are an Active or Passive NFE, please get advice.

9. Do you have any 'controlling persons' who are resident of another country for tax purposes?

I am passive, and **YES** I do have controlling persons who are resident of another country for tax purposes

Complete the **controlling persons details** in the table below ► then go to **Section 4 Signatures**.

If there is not enough room in the table, please copy the page and attach it to your completed form.

I am passive, but **NO** I do not have controlling persons who are resident of another country for tax purposes  
It would be unusual to think of no-one. Please read the **Definition** box. If you're sure ► go to **Section 4 Signatures**.

**DEFINITION**

**Controlling persons**

Controlling persons are natural persons who exercise control over an entity.

For trusts, controlling persons includes any trustees, settlors, beneficiaries, classes of beneficiaries or any other person who has the power to effectively control the trust.

For companies, controlling persons generally include any person who holds (directly or indirectly) more than 25% of the shares in the company and any person who has the power to influence decisions about the company's financial and operating policies, such as senior managing officials or directors.
